

Strange Fruits | One Sheet Rider

Three singers

Guitar that needs to be plugged in the sound board/PA system along with the three mics.

Provide:

- Cable/jack for guitar to be connected to the sound board (provided by us)
- Soundboard (provided by you/the venue)
- (patch) Monitors for the three mics, in front of all singers for hearing and cohesion of harmonies and voices, EQ at least to 31.
- Three mics, three mic stands and three stools
- (Backline) Guitar needs to be plugged in all three monitors as well for incoming gains control.

Stage set up:

- All three singers will change places according to the song (the person in the middle usually requires much more gain and volume on their mic)
- Name or number the mics, so when the position of the singer changes, the person's mic will be the same, so the levels of volumes and special effects will stay the same according to the singer's tone, projection and voice style.
- Stools/chairs for acoustic songs

Provided by Strange Fruits:

- USB key for playback music (or provided by email upon request)
- A semi-acoustic guitar that can be plugged to the PA system/ sound board
- CDs of debut EP for merchandise and publicity

Hospitality and Catering:

- 3 guest list spots/passes if possible
- Green room or secure changing room
- Three bottles of water (room temperature) on the stage
- Meals specification for Sage; no gluten (**0 TOLERANCE**) and no lactose.
